

WILSON M. BECK
FINANCIAL SERVICES

I can help you get Critical Illness insurance for as little as **\$0.40 a day**, no medical questions asked!

I am writing to let you know that I have recently been successful in negotiating with **The Edge Benefits** - The #1 Provider of Flexible, Affordable Benefits for Small Business in Canada – a special offer which gives you preferred access to [Critical Illness insurance](#)¹ for a limited period of time.

I think you will be pleasantly surprised at how affordable benefits for you and your family can be, and how easy it is to set up a plan.

Use the Instant Quote link to get a quote for yourself, or if you are a small business with 3 or more employees, please contact me and I would be happy to provide a custom quote for Small Business Benefits.
